She has done a beautiful thing to me. The poor you will always have with you, but you will not always have me. When she poured this perfume on my body, she did it to prepare me for burial. I tell you the truth, wherever this gospel is preached throughout the world, what she has done will also be told, in memory of her.

- MT 26:10-13

Additional note – Wine or Grape Juice ?

In Hebrew language, wine is "**YAYIN**" meaning **EFFERVESCENCE – BUBBLING**. The word's picture language too represents the same. Bubbling is the visible sign of fermented grape juice. "Unfermented Grape Juice" was not known till **Louis Pasteur** around 1862 A.D discovered pasteurization method to prevent fermentation process. Hence, Biblical wine is not plain grape juice, as popularly believed. Israel's Wine used for sacred occasions had less than 3% of alcohol.
